Cc: Paul Baker <paulbaker@utah.gov>

Hi David and Bob,

We received your submittal of preliminary neutralization costs for the acidic ITDF pond. Partly in anticipation of the onsite meeting held on July 20 with CSM, OGM and DWQ to discuss the situation and the solutions, we do not yet have formal review comments. However, I anticipate that we'll be sending a letter sometime within the next week or so. Thanks.

Peter
